Aboriginal Cultural Heritage Management Plan, Condition B33**

Dear Ms Saunders

I refer to your request for approval of the Aboriginal Cultural Heritage Management Plan (ACHMP) by the Planning Secretary under condition B33 of SSD-56989722. I acknowledge and thank you for your response to the Department's request for additional information.

I note the ACHMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been prepared in consultation with Heritage NSW and relevant Registered Aboriginal Parties;
- contains the information required by condition B33; and
- has been submitted prior to carrying out any ground disturbance works that may result in harm to Aboriginal objects.

Accordingly, as nominee of the Planning Secretary, I approve the Aboriginal Cultural Heritage Management Plan Final Version 01, dated 13 September 2024 and prepared by Biosis, under condition B33 of SSD-56989722.

Please note that if there are any inconsistencies between the approved ACHMP and the conditions of consent, the conditions will prevail.

Also, please make a redacted copy of the approved ACHMP including this letter available for public access on the project website as per condition A25.

If you have any questions, please contact Jeremy Martin at jeremy.martin@dpie.nsw.gov.au.

Yours sincerely
