Jun-24	Approach from an operative claiming to be from Multiplex with no form of identification to undertake dilapidation survey on property. No prior notification received by the resident from the project.	Community member to HI Comms	Dilapidation survey stopped until formal communication provided to residents to arrange access for the survey. Communication undertaken and dilapidation survey completed 12.07.24	PM

Jun-24	<p>Concerns on movement of trucks off the Princes Highway, noting it is in a 100kph zone.</p> <p>Reporting vehicles are using Mollee Road for turning, rather than Noads Road as agreed.</p>	<p>Community member to HI Comms</p>	<p>Deliveries on site reduced to 6 per day in smaller trucks until licences approved to allow lowering of the speed limit and installation of road signage.</p> <p>Toolbox talks and site inductions updated to reiterate all vehicles to use Noads Road for turning, and prohibit the use of Mollee Road.</p>	PM
Jul-24	<p>Local resident notification of a lack of signage advising the speed on the Princes Highway can resume at 100km following passing through ERH works.</p>	<p>Community member to HI Comms</p>	<p>Contractor has confirmed signage is installed as per agreed Construction Traffic Management Plan (CTMP) including speed resumption signs. The CTMP has been agreed with Transport for New South Wales (TfNSW)</p>	PM
